

## October 2 Meeting

We were rained out! So, nothing to report!

### Meeting Cancellation Policy Reminder

As we enter the winter months, it's a good time to remind everyone what the club policy is for meeting cancellation due to weather. Any time the Lynchburg City Schools close for students the club will not meet for regular meetings. The local news outlets will report the schools closings as normal, if they report Lynchburg City Schools closed – no meeting. There may be occasions when the county schools will close, they tend to close quicker and some days the City schools don't close they do because of the more rural areas served, so we only follow the Lynchburg City School student classes cancelled notices. There are a few members who do not have email, so if you find out a meeting is cancelled, please let them know.
