Helping the homeless in Central Virginia

Plans for the Nov. 5 Pancake Jamboree are moving forward. This is our one and only fundraiser and an opportunity for every member to make a contribution. We need volunteers for every area. Lynne Creasy will be the team leader for the floor. She will need volunteers to clean tables, keep butter, syrup and condiments full and empty trash cans. Mike Staley needs pancake grill cooks and beverage servers. The kitchen needs help with sausage preparation and keeping the batter machine going so the line will not run out of batter. Contact Barry Stephens for kitchen duty. Sign-up sheets will be at the meeting. Raffle tickets and maple syrup will be sold at the front door. Volunteers will be needed for the raffle and syrup table. There is a job for everyone so come out and support your Exchange Club.

The Pancake Jamboree is only successful if you sell tickets. As we get closer and advertising begins, sale of tickets should become easier as people start making plans to attend. Let people know you are selling tickets and they will often sell themselves. Let's get behind Mike Staley who has been working on this for months and make this a successful fund raiser.
