

June 3, 2016 Meeting

The club heard about an excellent program sponsored by the Lynchburg Fire and EMS Department called Project Baby Safe Haven. Deputy Chief Jason Campbell (a Lynchburg Exchange Club member) provided an overview at the meeting. This is an initiative to allow parents who have found themselves in desperate situations and need to turn a child over to authorities. The parent may come to any fire station and, with no questions asked, turn the child over to the firefighters. The club can proudly say our donation to the Fire Foundation went toward purchasing the signs for the program.

Jason is pictured at the left and his new daughter he brought with him to the meeting due to a schedule conflict. (We expect her to become a member any day!).

These signs, purchased with funds from from a donation by the Exchange Club will be posted at all fire stations.

Terrell Mosley Scholarship Award

The club recognized Dang Nguyen with the club academic scholarship Terrell Mosely Scholarship. Dang is a senior at Heritage High, he has been accepted to attend Virginia Tech in the fall.

Dang (on the right) is pictured with his guidance counselor, Ms. Reid.
