

School Supplies Donation Project

The Lynchburg Exchange Club is currently conducting a school supplies donation project to collect items for students in the Lynchburg City School system. Members are asked to bring items to the upcoming August 5 meeting. Club secretary Joan Silver will deliver the items to the school administration building. A list of suggested items is provided. The club responded to this project enthusiastically last year and hopefully will do so this year. Money will be collected from those wishing to donate and used to purchase additional supplies.

Linda Ellis-Williams was our guest speaker at the July 15th luncheon meeting. Ms. Ellis-Williams related how her life experiences led her to her position as director of the Domestic Violence Prevention Center and Sexual Assault Response Program. She described the many ways volunteers could assist her program, several of which sparked the interest of our club members. The board will discuss further involvement with this worthwhile program.
