The annual Homebuilders' Association of Virginia held this year's Touch-A-Truck on September 10<sup>th</sup> at Sim's Farm near Owens' Market in Bedford County. Your Exchange Club assisted the Bedford County Internet Crimes Against Children (ICAC) unit conducting child photo/IDs as a club "child abuse prevention" function. The ICAC and assisting club members provided identification information to parents of over 100 children at the event. Thanks go out to Club volunteers Susan Hamilton, Lynne Creasy, Dom Claudio, Larry Janow, Mike Staley and Barry Stephens for assisting with this worthwhile event.
