

The speaker for our January 17th regular meeting will be Mr. Rick Loving of the Lynchburg Police Foundation. Also at this meeting we will present the Youth of the Month Award to Kathryn Foster of Rustburg High School.

Our January 3rd meeting featured the presentation of our A.C.E. Award to Christopher Dempsey of E.C. Glass High School. Christopher was born prematurely with a condition called Retinopathy which is an eye disease that affects scarring and detachment of the retina. He also has Asperger's Syndrome which affects his social skills. Dealing with these obstacles has been a challenge; however, he is on the Scholar's List at E.C. Glass High School and will graduate in May. He is planning on attending a four-year college to pursue a degree in Software Engineering.
