

*A Letter from President Spencer —*

Dear Fellow Exchangites,

I trust that this newsletter has arrived finding everyone doing well and in good health! In an effort to keep everyone informed about club activities during the coronavirus threat, I wanted to share a few business items with you. Just as a reminder, our club will not be meeting during the month of April 2020. We will continue to comply with the Governor's COVID 19 restrictions as it applies to leaving home and group meetings, etc., as it may be necessary to cancel our meetings for the month of May as well. I will do my best to keep everyone informed.

Our club will be conducting our club elections via email within the next couple of weeks and thus far the slate of Club Officers and Board Members are as follows;

President – Mike Staley

President Elect – Vacant (Even though we can move forward with the election without filling this position, we would very much like to have someone willing to serve)

Treasurer – Joan Silver

Secretary – Stephanie Suter

Immediate Past President – Mike Spencer

Board of Directors – Don Sloan

Leon Thomas

Vacant – We need one more member willing to serve!

More information will be sent out soon to all club members via email soon to complete the election process.

This month our club will be selecting the four high school senior recipients for our club scholarships;

Terrell Moseley Scholarship

Youth of the Year

ACE Award Student of the Year

Gene Gallagher Community Service Award

Once those decisions are made I will be sure to share that information with everyone. We will make those presentations officially when our club is able to meet again.

The Club Board of Director's continues to conduct business on behalf of the club via email. I would encourage our club members to keep your eyes open for opportunities in which our club can continue to serve and make an impact in our community during these times. We do have some monies that are available to our community, particularly as it relates to our youth and veterans should the need arise.

To our older club members in particular, if at any time you are in need of assistance, please let me know and if I am unable to assist you I will find one or more of our club members who can!

Stay healthy and safe!

*Mike Spencer*
