Our speaker for the July 21st meeting will be our own Dick Byrne. Dick always speaks from the heart, so we can expect a passionate presentation.

Pictured at right is John Heaton from New Covenant Schools. John spoke at our July 7th meeting about the structured atmosphere and success rate for New Covenant School students.

Lynne Creasy has completed arrangements for a Red Cross Blood Drive on September 22nd at Grace Church on Timberlake Road, near McDonald's and Food Lion. The drive will be from 1:00 p.m. until 6:00 p.m. Lynne will need volunteers to assist in two-hour shifts, starting at noon and ending at 6:00 p.m. We also would like to get as many members as possible to come out and donate. Family and friends are encouraged too! This was very successful the last time we had a drive and we would like this one to be even better.

Our busy Ms. Creasy is also conducting a school supply drive at this meeting as well as the meeting on August 4th. Please bring any school supply donation to one of the meetings to help our less fortunate students. Lynne will also accept cash donations to be used to purchase additional school supplies if a cash donation is more convenient.

Several months ago, the Lynchburg Exchange Club agreed to be responsible for one of the rooms at the women's shelter at 6th and Monroe Streets in Lynchburg. Tamara Allen took this project by herself to remodel the room for the shelter. As an interior designer, she is using her skills to create a comfortable, attractive room for shelter clients. Lynne Creasy and Barry Stephens assisted Tamara on July 18th to put a fresh coat of paint on the walls and to "spruce up" the room. Tamara is continuing to add her designer's touch to the room. Anyone wishing to aid the shelter can donate clothing or cleaning supplies. Clients moving from the facility into their own homes can also use donated furniture items. A client is currently in need of a table and chairs.

Mike and Beverly Gaydas represented the Lynchburg Exchange Club at the National Conference in Jacksonville, Florida earlier this month.
