

The guest speaker for the September 1st meeting will be Jo Anne Miller from Brook Hill Farm Mission. She will update the Club on the mission's activities

Pictured at left is Colonel Chuck Olson, USAF (Retired), who updated us on recent activities of the Lynchburg Area Veterans' Council and their efforts to assist area veterans. He also provided an overview of the upcoming Veterans' Parade scheduled for November 11th at Liberty University.

Tamara Allen's project at the battered women's shelter is progressing. The room is awaiting a new floor before it can be completed.

Club President Ben Copeland donated a washer and dryer to a needy family who lost all of their possessions in a house fire. The washer and dryer were delivered and connected this week at the family's new residence.

The Club has been asked to provide volunteers to assist the Bedford County Sheriff's Office at the Touch-A-Truck event on September 9th at Simm's Farm off of Route 460. The event runs from 10:00 a.m. until 3:00 p.m. Shifts would be two and one-half hours assisting the sheriff's office with the child fingerprint and photo I.D. project. Club members would measure, weigh and assist parents with completion of consent forms. A sign-up sheet will be available

If you have not already signed up for the blood drive, the sign-up sheet will be available. The blood drive is scheduled for September 22nd from 1:00 p.m. until 6:00 p.m. at Grace Church on Timberlake Road. This is a great community service project and an opportunity for all members to participate either by donating or assisting the Red Cross at the site.
