

At our October 4th meeting, Lt. Lipscomb from the Lynchburg Fire Department was our guest speaker. He presented topics on the importance of fire safety. We were honored to have him present at our meeting as part of Public Safety Month.

Also at our October 4th meeting we recognized Gary Shotwell, manager of Phase Two. Over the years that the club has met at Phase Two, Gary has gone above and beyond to accommodate our meetings and events. Pictured at right is Gary and his wife. We wish him the best of luck in his retirement!

Our speaker for our October 18th meeting will be Adam Spontarelli of "Vector Space" in Lynchburg. Vector Space is a makerspace and community workshop for youth with the mission to build an open and collaborative community.

On October 22nd at 7:30 p.m. the Lynchburg City Council will honor the Exchange Club of Lynchburg with a proclamation during the open council session. We are receiving this honor in recognition of the 60th anniversary of the Pancake Jamboree. We look forward to having as many members in attendance for this prestigious event.

Beginning November 15th, 2019, our regular club lunch meeting location will be at Charley's Restaurant, located at 707 Graves Mill Road. The reason for this change is due to Phase II closing at the end of October and the business is currently on the market to be sold. Not knowing exactly when the business would be sold and if the new owner(s) would even be willing to host us, we had to make a change. Our meetings at Charley's will be held in the back room. Please see the Grapevine from October 4th for more information.
