

The guest speaker for the November 17th meeting will be David Harker, our own local Vietnam POW and motivational speaker. David graduated from Brookville High School and was a student at Virginia Tech when he joined the Army. He

was captured by the North Vietnamese on January 8, 1968 and was held as a prisoner of war until he was released on May 5, 1973 under the conditions of the Paris Peace Accords. He was held for 1,884 days. Don't miss this opportunity to hear David speak and to thank him for his service.

Lynchburg Police Chief Diaz is slated to speak at our December 1st meeting.

Lindsey Scott with the Sexual Assault Response Program will speak on January 5, 2018 about their program, Fear 2 Freedom. The program allows volunteers to build after-care kits for local child and adult victims of sexual and domestic violence and to hear from first responders.

The Annual Christmas Dinner has been scheduled for Thursday, December 14th, at Phase 2. Social time will begin at 6:30 and the program and meal will start at 7:00 p.m. Recognition and awards will begin at 8:15 p.m.
